

**CUMBRIA NEIGHBOURHOOD WATCH ASSOCIATION  
COMPANY LIMITED BY GUARANTEE  
TREASURER'S REPORT TO THE AGM 2020**

The year to 31 March 2020 was a quiet one financially.

The sale of security products were wound up and a new project to provide a broadband video doorbell service to certain vulnerable people commenced with support from Allerdale. This project will advance through 2020-2021.

We continue to hold a level of reserves sufficient to undertake these types of community projects when opportunities arise.
